### Our school initiatives have shown limited progress toward our targets

During 2018, limited progress was made toward our targeted student outcomes. We will review our initiatives and make adjustments to better focus on maximising the benefits of *Investing for Success* funding for our students.

Initiatives implemented include:

- Initiative 1- Ensure School Mean Scores for NAPLAN in Reading, Writing, Spelling and Language Conventions are comparable to the State Results.
- Initiative 2 - Prep students shows development consistent with one year's growth through the Prep Year.
- Initiative 3 – Increase the use of Explicit Instruction and High Yield strategies to improve student learning.
